Great and Holy Pascha (Orthodox Easter)

A blessed Pascha to all our Orthodox member churches celebrating today in their homes and in their hearts!

Joyeuses Pâques à toutes nos Églises orthodoxes membres qui célèbrent aujourd'hui dans leurs maisons et dans leurs cœurs!

It is customary on Pascha to say "Christ is risen!" in as many languages as you are able, proclaiming God's love unto all the nations. How do you

say "Christ is risen!" in the language closest to your heart?

La coutume veut qu'à Pâques, on dise « Le Christ est ressuscité! » dans le plus grand nombre de langues possible, pour proclamer l'amour de Dieu à toutes les nations. Comment dites-vous « Le Christ est ressuscité! » dans la langue qui vous est la plus chère?

In Christ's love,

Peter Noteboom is General Secretary of [The Canadian Council of Churches](#)
