The package contains detailed instructions to Clergy and Parishes for the preparation and submission of resolutions to be discussed at the 24th Sobor in 2022. Please review these carefully. - Compiled resolutions are returned to Clergy and Parishes by **March 18, 2022** for further review and preparation for discussions at the 24th Sobor in 2022
- Final comments to be received by no later than **April 4, 2022**
- Text of resolutions proposing By-Law amendments will be published by **April 12, 2022**
- Final Resolutions Package will be distributed by **May 12, 2022**

Clergy and Parishes are reminded that any resolutions in respect of By-Laws will be dealt by the UOCC Standing Committee on By-Laws. **It is imperative that notice of resolutions proposing By-Law amendments be received by the Consistory Office to the attention of the Presidium by February 11, 2022.**

Finally, the Resolutions Committee is ready and willing to provide any clarification to Parishes concerning submission of resolutions or additional background information that would assist in your discussions at the Parish level. Please address such requests to the attention of our Committee through the Chancellor, Fr. Taras Udod.

Yours in Christ,

Stephania Luciuk and Walter Pylypchuk
