

## **SERVICE IN THE CHURCH**

**Please list congregations / parishes you have attended/served and the years you attended/served them:**

I grew up in the parish of St. Vladimir's in Calgary, this was for 30 years. January of 2013 I was ordained a priest and moved to Vancouver Island where I served the parishes in Parksville and Victoria until 2017. In the summer of 2017 I was transferred to the Okanagan, where I am currently serving the parishes in Kamloops, Kelowna, and Vernon.

**Please indicate the work you have done in the Church including mission/outreach work, special projects and parish development:**

When I was serving in Parksville I was able to support the growth which increased the attendance of families in the parish through family centered activities.

At the Parish of Sts. Peter & Paul in Kelowna I have supported and encouraged growth through connecting with the Ukrainian community groups to see how we can best support each other in our communal growth.

I have organized education classes about the Orthodox Faith, to support those in the parish, but also act as an outreach tool to bring people to the Church.

## **EDUCATION AND TRAINING**

**Please provide a brief summary of your theological and other education and any additional vocational training, including continuing education courses, personal development programs or other:**

I have completed a Bachelor of Theology from St. Andrews College. Additionally, I have taken mental health first aid, suicide prevention, grief counselling.

**Please describe any relevant skills, such as language skills, management / administrative skills, accounting, legal or other:**

I was the store manager of Napa Auto Parts for 3 years.

**How do you feel this education, training and skills will contribute to your successful contribution as a member of the Consistory Board of the Ukrainian Orthodox Church of Canada?**

Much of what I have done for past work to have in education I believe has shown me how to not just work with people, but how best to support different personalities depending on the project that has been tasked to complete.

## **LIFE / WORK / COMMUNITY EXPERIENCE**

**Briefly list your vocational / professional work experience and/or any other relevant life experience (e.g. volunteer work, public service, parenting etc.):**

I have filled different positions from a trainer of new staff, store manager, various executive positions with in my Church life and with my children's activities, as well as serving as a parish priest.

**How do you feel that your capabilities and work / life experience will benefit the Consistory Board?**

Through my different positions I feel that one of the most important things is how to prioritize what is needing to be completed and how to support people and projects. Also, with my time as a store manager I learned how to assess a group of people in their work and find ways to maximize what they are working on.

**If there is any other information you would like to provide, not already requested above, please list it here (e.g. other board-related work etc.)**

I have been on the Western Eparchy Council for about 7 years.

I have attended 4 Sobors and many Western Eparchy Assemblies as a delegate, where I also have filled the position secretary.
